Additional Services

What is covered

The Colors on Parade ChipGuard Paint Touch-Up Service covers small (smaller than $\frac{1}{8}$ th of an inch) paint chips on all vehicles purchased from the above document dealership. The warranty covers the timeline designated above while owned by the same person. Service will be provided on site by a Colors on Parade technician. Nanotechnology Door Guards are included on all covered vehicles.

What is not covered

Scratches, dents, dings and other paint problems are not covered. Paint chips are defined as a small piece of paint (smaller than $\frac{1}{8}$ th of an inch) that has come loose from the surface of a car.

I agree to and understand the services provided in the Colors On Parade ChipGuard program.
